Pastor's Statement on In-Person Gathering

Dear Family,

As you know, for the last eighteen months or so, we have been mainly gathering for worship outdoors and in very limited capacity indoors. We thank God that many of you have been able to join us virtually. Now, although our virtual gathering has been, and will continue to be a blessing for those who are unable to attend in-person; we know that virtual should not be our primary means of gathering for worship. As a result, we have prayerfully decided to begin a phased re-opening of in-person gathering in the sanctuary on Sunday, November 7th, 2021.

We will begin with an in-person capacity of fifty persons and will gradually increase that number based on the COVID-19 trends and our capacity to continue gathering safely. Of course, we will continue to take every precaution to gather safely by maintaining all CDC and DC Department of Health protocols.

Additionally, we will be disinfecting the entire sanctuary on Mondays and Saturdays. During the week of November 1st, we will be posting on our website, www.salemdc.org, a Registration Form. Everyone who desires to attend our in-person gatherings must use this form to register each week they choose to attend. For our family members who are unable to access our website, our leaders who have been your point of contact will be available to get you registered. You may also contact me if you need any assistance.

Let me reiterate, we must follow our COVID-19 protocols and guidelines. Remember, the safety of all our family members is at stake. We trust God to safeguard our health, as we also do our part to abide by the District's guidelines on gathering, practicing social distancing, and wearing of face masks. Remember Paul's words to the church at Philippi: *"be humble and consider others more important than yourselves. Care about them as much as you care about yourselves"* (Philippians 2:3-4, CEV).

It is my prayer that our love for Jesus Christ will constrain us, so that, as we gather, whether in-person or virtual, our concern will consistently be for others.

In Christ's Love,

Pastor

David McIntosh-Peters
